

Creating Community Through Celebration!

Washington Revels' Mission:

Washington Revels uses performance, education, and community engagement to revive, sustain, expand, and celebrate cultural traditions — in music, dance, storytelling, and drama — that bind people together in spirit and joy. We strive to illustrate the world's common humanity, connecting all people in a community that stretches across ethnic, cultural, and religious divisions, and through time.

Our Signature Characteristics:

- ❖ Musical, theatrical, educational
- ❖ Exploring folk traditions and cultures
- ❖ Participatory and engaging
- ❖ Diverse and inclusive
- ❖ Multi-generational
- ❖ Marking and celebrating the seasons and the cycle of life
- ❖ Volunteer-based, professionally led

What differentiates Revels most from other performing arts groups is its sense of community, its interactive approach, and an underlying objective to unite people in unique ways through the performing arts. Revels events are reminders of the deep human need to come together and connect in celebration as a community.
